## HAIRLINES **news**

### In the pink!

**K**aaral's Pink Up line has expanded with new Sweet 'N Glow moisturizing shampoo and conditioner for all hair types, prepping it to receive the benefits of the entire Pink Up styling collection. A delicate formula that is ideal for daily washings and also colour safe. Info: [kaaral.com](http://kaaral.com)

### Natural Volume

**T**he new Bain de Terre Day Lily collection offers a shampoo, conditioner and root lifter with dual benefits: protect colour-treated hair and add up to 40 per cent more volume. The key ingredient in the line, hemerocallis, is a natural antioxidant that has been used for centuries in traditional Chinese medicine. With delicate citrus notes of pear and rose, it's a pleasure for all the senses. Info: [baindeterre.com](http://baindeterre.com)
